APHRODITE AFRICA

Proprietor's Private Release 2004

Aphrodite Africa is the first South African Cabernet Franc aged for an unprecedented 60 months in new French wood. A once-off offering from grapes hand-picked and hand-selected from a single bloc of old vines on the ocean-facing slopes of the Helderberg Mountains in Stellenbosch, Aphrodite Africa was hand-crafted to deliver an unusual and unique lifestyle experience worthy of its namesake.

Named after the goddess of love, beauty and sexuality and depicted through a provocative painting of a smouldering Samburu maiden by renown South African artist Velaphi Mzimba, this private release honours the past, present and future generations of women in our family through a timeless offering as complex, compelling and captivating as the women in our lives.

Tasting Notes

Appearance

Deep dark dimensions of blood red and imperial purple extend to a maroon rim pushing a ruby edge. Brilliant lustre and luminosity with long legs and notable colour extraction foreshadow a voluptuous personality that invites immediate interest.

Nose

Seductive scents of dark brooding fruit such as blackberries and blueberries intermingle with top notes of bell peppers and paprika in a large yet nuanced nose. Hints of caramel and fire-cured long leaf cigar tobacco allude to substantial oak pedigree.

Taste

Like the warm embrace of a familiar lover, satisfying sensations of brambly blackberries, black plums and flambéed cherries excite the early palate in a substantial yet supple opening that yields to whispers of roasted red peppers, pomegranates and orange peel which tickle the mid-palate in the most pleasing ways. Wisps of cassis and cocoa deliver a smooth and sensuous farewell that caresses the back of your mouth as if the last lingering breath of a long kiss.
