LEOPARD FROG WINS GOLD

Two wines from Leopard Frog Vineyards (www.leopard-frog.com) won Gold Medals at the 2011 Florida International Wine Challenge held in September as part of the Miami International Wine Fair. Leopard Frog's Kiss & Tell Reserve 2004 and Midnight Maasai Shiraz 2002 both won Gold Medals in the competition, with three of its other wines earning other medals. Leopard Frog is a boutique Stellenbosch producer that handcrafts a portfolio of not more than 8 barrels of wine a year, and also makes its own chocolates and cigars to complement its wines. Leopard Frog is represented in New York by Wine Symphony (www.WineSymphonyInc.com) and in the southern states by Vincenti Imports and Distributions (www.Vincenti-Imports.com).
